Security Watch List Source Description

Air Force Fugitives

Official Source Name: US Air Force, Office of Special Investigations

The OSI begins an investigation on any Air Force member that is classified a deserter by the member's command. OSI will then classify the deserter as a fugitive if either of the two following requirements are met: (a) if the member deserted to avoid a criminal investigation, prosecution or incarceration, or (b) if the member had access to any level of classified information that, if disclosed, would jeopardize national security interests of the United States. Available data elements may include name, race, sex, height, weight, matter being investigated, prior occupation and last known address. Update Frequency: Weekly

Americas Most Wanted Lists

Official Source Name: Americas Most Wanted

Americas Most Wanted updates three lists including the top 10 most wanted fugitives for each: FBI, U.S. Marshals, and GangTECC. Available data elements may include name, age, sex, race, height, weight, and offenses. Update Frequency: Weekly

ATF Most Wanted

Official Source Name: Bureau of Alcohol, Tobacco, Firearms and Explosives

The ATF publishes this list in an effort to combat violent crime. The subjects on this list have been involved in ATF criminal investigations, often in conjunction with other law enforcement agency investigations that resulted in the issuance of a federal arrest warrant. Several criteria are considered before choosing subjects for the ATF most wanted list. They are as follows: seriousness of the crime committed, past criminal record of the defendant, potential for the defendant to be a dangerous menace to society based on the current or past charges or belief that publicity afforded by the program will be of assistance in apprehending the wanted person. Available data elements may include name, DOB, sex, race, case number, federal warrant number, nationality, NCIC fingerprint codes, occupations, place of birth and notes. Update Frequency: Weekly

Australian Bank Sanctions List

Official Source Name: Australian Reserve Bank

This list is published by the Australian Reserve Bank to freeze assets to known and documented terrorists by the UN Consolidated List and Australia's Minister for Foreign Affairs. Available data elements may include name, DOB, country of sanction and sub group. Update Frequency: Last update 6/2012

Australian Consolidated List

Official Source Name: Australian Dept. of Foreign Affairs & Trade

The Australian DFAT publishes this list in an effort to freeze the assets of terrorists by making it a criminal offense for persons who hold assets controlled by persons or entities on the list to use or deal with those assets. Available data elements may include name of person or entity, A/K/A, offense, listing information, address & notes. Update Frequency: Last updated 6/2012

Canadian Sanctions List

Official Source Name: Office of the Superintendent of Financial Institution Canada (OSFI)

The OSFI publishes this list of names that are subject to the Regulations Establishing a List of Entities made under Subsection 83.05 (1) of the Criminal Code, and/or the Regulations Implementing the U.N. Resolutions in the Suppression of Terrorism and/or UN Al-Qaeda and Taliban Regulations. Available data elements may include name, nationality, title and designation. Update Frequency: Weekly

Connecticut Medicare Actions list

Official Source Name: Connecticut Department of Social Services

The Connecticut Department of Social Services maintains a sanctions list containing providers and individuals who are currently terminated, barred, suspended, have voluntarily withdrawn or otherwise have been excluded from participation in the Connecticut Medicare program. Available data elements may include name, address, event description, business and specialty. Update Frequency: Weekly

Official Source Name: South Carolina Department of Health and Human Services

The South Carolina Department of Health and Human Services (SCDHHS) identifies and maintains this list of parties or entities that have a conviction of a criminal offense, conviction of fraud, conviction of neglect or abuse, excessive claims, failure to comply with financial responsibilities, etc. related to the delivery of healthcare services. An excluded provider can be an individual practitioner, group, facility, organization, institution, business or other type of entity denied Medicaid payment for any healthcare services. Available data elements may include name, partial address, date excluded and last known profession/provider. Update Frequency: Weekly

Specially Designated Nationals List

Official Source Name: US Department of Treasury, Office of Foreign Assets Control

Published by OFAC, this list includes Individuals and companies owned or controlled by, or acting for or on behalf of, targeted countries; individuals, groups, and entities, such as terrorists and narcotics traffickers designated under programs that are not country-specific. Collectively, such individuals and companies are called "Specially Designated Nationals." Their assets are blocked and U.S. persons are generally prohibited from dealing with them. Update Frequency: Weekly

Terrorism Knowledge Base

Official Source Name: Memorial Institute for the Prevention of Terrorism (MIPT)

The MIPT publishes this list offering in-depth information on terrorist incidents, groups, leaders, members and trials. The TKB covers the history, affiliations, locations, and tactics of terrorist groups operating across the world, with over 35 years of terrorism incident data. Available data elements may include name, current location, group, marital status & education. Update Frequency: Last updated 5/2008

Texas Health and Human Services Exclusion List

Official Source Name: Texas Health and Human Services Commission Exclusion List, OIG

Published by the Texas HHSC, the Office of the Inspector General requires that this list is compiled in an effort to protect the health and welfare of people who receive Medicaid and other state benefits. The people or businesses included are disallowed to participate as service providers. Available data elements may include name, start date, date added, license number and notes. Update Frequency: Weekly

Unverified List

Official Source Name: US Department of Commerce, Bureau of Industry and Security (BIS)

Published by the US Department of Commerce, this list includes names and countries of foreign persons who, in the past, took part in a transaction to which the BIS could not conduct a pre-license check or a post-shipment verification for reasons outside of the US Government's control. Any transaction to which a listed person is a party will be deemed by BIS to raise a "red flag" with respect to such transaction. The "red flag" applies to the person on the Unverified List regardless of where the person is located in the country. Available data elements may include

name, country & last known address. Update Frequency: Weekly

US Marshals 15 Most Wanted

Official Source Name: Department of Justice

Established in 1983, the Marshals Service publishes the names of wanted persons in an effort to prioritize the investigation and apprehension of high-profile offenders who are considered to be some of the country's most dangerous fugitives. These offenders tend to be career criminals with histories of violence or whose instant offense(s) pose a significant threat to public safety. Available data elements may include name, A/K/A, sex, race, DOB, charge, warrant date, place of birth, warrant issued location, warrant number, notes & scars marks and tattoos. Update Frequency: Weekly

US Secret Service Most Wanted

Official Source Name: Secret Service

The US Secret Service publishes this list, which includes the most wanted fugitives, with a focus on those wanted for fraud and identity theft. Available data elements may include name, sex, race, weight, DOB, charge, place of birth, notes & scars, marks and tattoos. Update Frequency: Weekly
